LIFTING LIVES. ELEVATING CHRIST. A CHURCH FOR THOSE NOT HERE YET.

CHRIST  CHURCH

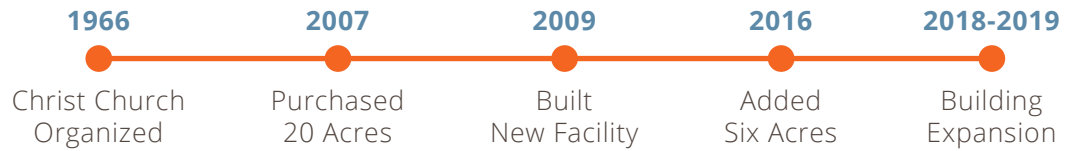

Dear Partner in Ministry,

God has been doing some great things at Christ Church. Each week we hear stories of how God is active in the daily lives of our people and how He is bringing people to know Jesus Christ. Without you, Christ Church's ministry would not be a reality. Thank you for your faithfulness in making Christ Church the influence church that it is. I am convinced that God has even greater things in store for our future together and for those who are not here yet.
